Psychology Services

At the Autism Advisory and Support Service (AASS) our Psychologist provides a range of services including individual therapy and assessment services.

Individual therapy can provide support with:

- Behavioural and emotional (e.g., anxiety, depression) difficulties
- Developing adaptive coping skills
- Transitioning to school

We offer the following assessments:

- Diagnostic assessments of intellectual disability and autism spectrum disorder
- Adaptive Functioning assessments
- Intelligence and achievement assessments
- Mental Health Assessment

Our Psychologist is eligible to provide services under Medicare, FaHCSIA: Helping Children with Autism funding, HICAPS and the NDIS.

**For more information or to make an appointment with one of our team,
