

# Advocating for PEOPLE WITH DISABILITIES

My name is Kitty, I  
have autism and I  
would love for you  
to join this group

with me

Welcome. Come join MiniTAFE and be a part of an amazing and fun community group of like-minded people. This group empowers participants to be who they are. In this workshop we will explore VR worlds and learn how to create a VR world from scratch

**This group is COVID safe & FREE**

## What's it ABOUT?

This group is all online on Zoom, which means that it is 100% COVID safe

The group will be a leading platform for people with disabilities to open up and embrace who they are

Woollahra Council will be providing a moderator and NDIS will be providing a mentor

2 sessions a week which run approximately for a hour each

**Please get in touch as everything will be finalised on the 05-04-2022 as we don't want you to miss out!**
