

Occupational and Speech Therapists – (Employment & Contractor positions)

We have multiple opportunities on offer for experienced Occupational and Speech Therapists to join our growing and dedicated team based at Liverpool.

About Us:

Autism Advisory and Support Service (AASS) is a not-for-profit Autism support service which has a multidisciplinary team of therapists and dedicated staff, servicing the south west Sydney area. We are innovative and practical in our approach to providing support and in our work practices. Our dedication to the organisation and our commitment to continuously improving our service, as well as ourselves as individuals, keeps our culture vibrant and energetic.

At AASS we understand that whilst life is a journey, everyone's road map is different. We have a holistic approach which offers more than just therapy - we love to work with our clients and their families to turn challenges into opportunities.

What we offer:

We offer flexible working conditions with the option of employment or contractor opportunities available (part-time or full-time).

Our contractor model offers:

- \$116.39 per session plus travel.
- Work life balance based on your availability.
- Diversity in service delivery model (clinic, individual, group, tele-health, schools).
- Access to internal staff training and development opportunities.
- Intake and administrative support provided.

Our employment model offers:

- \$70 - \$90K per annum pro rata plus attractive Salary Packaging options (up to \$15,899 per annum & \$2,700 meals and entertainment).
- Flexible working conditions (part-time or full-time employment) including a hybrid work model.
- Generous leave options (up to 3 weeks of additional leave per year pro rata).
- Diversity in service delivery model (clinic, individual, group, tele-health, schools).
- Professional development and networking opportunities including an allocated individual CPD budget and in-house training.

All of our therapists have access to a close-knit supportive work environment and get to work alongside a talented team of transdisciplinary and multidisciplinary therapists including Occupational Therapists, Speech Pathologists, Psychologists, Behavioural Support Practitioners and NDIS Support Coordinators. Free onsite parking is also available.

About the role:

Your responsibilities will include:

- Conduct assessments

- Develop and implement evidence based therapy for children and young adults with autism spectrum disorders
- Work as part of a team dedicated to delivering high quality support to children and young adults and their families
- Work as part of a transdisciplinary team and be given opportunities to grow with the organisation

About you:

- Relevant tertiary qualifications in Occupational Therapy or Speech Pathology;
- Current registration with relevant professional body (AHPRA or Speech Pathology Australia);
- Minimum 2 years post graduate experience in the field and/or with paediatric case load;
- Previous experience working with sensory issues in children and young adults living with Autism Spectrum Disorder would be desirable;
- Current driver licence and access to a fully insured vehicle;
- NDIS Worker Screening Check, Working With Children Check and Provide First Aid Certification;
- A team player with a “can do” attitude;
- Self-sufficient, able to take ownership of the role and high level of organisational and time management skills;
- Clear open and transparent communicator with proven ability to develop rapport with stakeholders and families from a broad range of social and cultural backgrounds;
- Celebrate success, strive for excellence and continuous improvement.

If you thrive in this type of environment, are enthusiastic and committed to going above and beyond for our clients we would love to hear from you.

Please contact Hamdia Khan, People and Culture Manager at hr@aass.org.au or call 9601 2844 for a confidential discussion.
