## About Us

**Somewhere Nice** is a purpose-driven social enterprise dedicated to forging a brighter future for Australians with disabilities. Our core mission revolves around reinvesting our profits to generate employment and training opportunities specifically tailored for people with disabilities. When you choose to support us through your purchases, you are directly contributing to the growth of a more inclusive society, fostering a better future for everyone involved.

Our ultimate vision is to empower individuals with disabilities and pave the way towards a more equitable and compassionate society. We firmly believe that establishing inclusive workplaces is the cornerstone of achieving such a future. By creating an environment where people with disabilities can develop their skills and pursue fulfilling careers, we aim to dismantle barriers and promote greater inclusivity across all aspects of life. Together, we can build a society that embraces diversity and ensures equal opportunities for all.
