

CAREER EXPLORER PROGRAM

Our Work Experience program **Career Explorer** is designed specifically for Students & School Leavers of **all abilities** who are eager to gain skills in Retail and or Hospitality. Our program offers a unique opportunity to explore and develop practical skills in these areas, providing hands-on experience in a supported setting. Through our program, Participants will enhance their personal development and build professional skills, preparing them for future employment and helping them make informed decisions about their career paths.
