

FEEDING CLINIC

Price List

Our Feeding Clinic is available for people of all ages experiencing difficulties with eating, drinking or feeding. The cost of your appointment will depend on how your care is funded.

NDIS

\$193.99 per session

If you are using NDIS funding, your plan will need to include a goal related to eating or drinking.

PRIVATE FEE-FOR-SERVICE

If you are paying for your appointments privately:

\$193.99 per session

No NDIS or Medicare funding is required.

MEDICARE

You may be eligible for a Medicare rebate if you have a Chronic Condition Management Plan (CCMP) or an Expanded Disability and Neurodevelopmental Pathways (M10) Plan. You will need to provide us with a copy of your plan and a GP referral letter.

CHRONIC CONDITION MANAGEMENT PLAN (CCMP)

You can access up to 5 speech pathology sessions per calendar year under a CCMP.

- *Appointment fee: \$193.99*
- *Medicare rebate: \$61.80*
- *Estimated out-of-pocket cost: \$132.19 per session*

CCMP sessions can be used for assessment and a report. If all 5 sessions are used for speech pathology, this can cover an assessment and report only, with no intervention included.

M10 PLAN

The M10 pathway is available to people under 25 years of age who have a qualifying condition and meet the eligibility requirements.

- 8 assessment sessions per lifetime
- 20 treatment sessions per lifetime
- *Appointment fee: \$193.99*
- *Medicare rebate: \$87.25*
- *Estimated out-of-pocket cost: \$106.74 per session*

A qualifying diagnosis is required. You will also need to provide a copy of your M10 plan and a GP referral letter.

Please note: Medicare rebates and eligibility are subject to the relevant Medicare requirements and the number of sessions available under your plan.
